Dear Sir(s)

Patents Act 1977: Patents Rules 1995
Application/Patent Nos. EP0004049, EP0155609, EP0155634, EP0159516, EP0173082,
EP0217024, EP0215347 & EP0218076

Thank you for the application for registration made on Form 21/77 (and for the accompanying documentary evidence) which is filed on EP0218076.

I can confirm that for each of the patents (or patent applications) listed above the recordal requested on the form has been made.

However, EP0550448 stands in the name of Sudzucker Aktiengesellschaft Mannheim/Ochsenfurt, of Maximilianstrasse 10, W-6800 Mannheim 1, Federal Republic of Germany. Please could you confirm that the patent number is correct.

I enclose a copy of an extract from the Register of Patents for the first numbered patent showing that the recordal requested has been made and showing the name(s) of the present proprietor(s) and the address for service. Please notify me by return if anything is not correct. If the Register already reflects the correct address for service, and the entry at box 6 on the Form 21/77 merely confirms that fact, no further action is necessary. However, if you are the new address for service, for all matter relating to these patents, then you should request that this change be recorded by means of a Form 51/77. In order to ensure that correspondence is not mis-directed and lost please write to me at the Patent Office with details of any future changes that might be made to the address for service shown.

Kindly also note that renewal fees need to be paid annually by the anniversary of the application date in order to keep the patents in force.

Yours faithfully

Natalie Morgan
