Dear Sir

We wish to join our neighbours
with our objection to the changing of the
above premises into a dwelling house
as intimated in last Friday's Accrington
Observer (July 8th)

The reason we object is that it
would rob us of our minimal privacy.
This building in question happens to be
little more than four feet from our
backyard wall - a backyard I might
add of quite minute proportions. ←
The owner of this building does not
own any surrounding land, so what
reasonable facilities would any

prospective occupants hope to have?

We trust someone from your office and Planning Department will come and see for yourselves this absolutely preposterous idea. We cannot imagine anyone agreeing to a scheme which would obviously and speedily create slum conditions.

Do come and see it for yourself?

Yours sincerely,

(Mrs)
