Paul

Please see attached. Mr Hall appears to want us to put an entry on the Register to show that the priority document (GB9027784.9) was filed by his company (he assigned the rights before 2267412 was filed ) He also wants to file a copy of the original assignment, but GB9027784.9 was not published so this would not help him. I got cold feet before I send a letter saying we could not help him but he should seek legal action/advice elsewhere and I wonder if he had any rights anywhere else in the Act.

I am on leave for the next two weeks so could you direct any reply to Steve Adkins.

Thanks

Steve
