Dear Sirs

**Assignment of Patent Rights between
Santa Fe International Corporation
and Stena Offshore Limited**

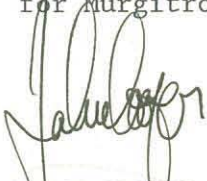

We refer to previous correspondence in connection with the above.

After some considerable delay, we have now secured the execution of a fresh Assignment document listing additional Patents omitted from the original Assignment and quoting a consideration of £54000. 

The original of the new Assignment document, duly stamped, is filed herewith together with a certified copy thereof and a new Form 21/77. Fees of £64.00 were paid at the time of filing the original Assignment and Form 21/77 (21 December 1989). Please advise if any further fees are now required to be paid in order for the transfer of ownership to be recorded in the Register.

We look forward to receiving further word in due course.

Yours sincerely
for Murgitroyd and Company
